If you're an Originating Institution:

- ↪ Reach 95% of the planet's population 24/7
- ↪ Make payments to bank accounts, cards, mobile money, digital wallets and cash pick-up
- ↪ Fund delivery confirmation
- ↪ NO nostro-vostro accounts, NO high FX markups, NO recipient fees
- ↪ Full visibility into counterparty risk assessments, compliance checks, and transaction flows before payment execution
- ↪ All data available in real-time and digitally stored

If you're a Correspondent Bank:

- ↪ Materially reduced counterparty risk
- ↪ Automated compliance & risk management
- ↪ Instant, perpetual audits
- ↪ Reduced manual workflows & minimized costs
- ↪ Optimized payment orchestration
- ↪ Full regulatory control
